

There is some discomfort in my arm from where the male kicked me which is likely to bruise. Nobody has the lawful right or authority to assault me while I am at work undertaking my duties.

After this incident I attended the town hall to collect the CCTV footage from XXXXXX City Council. I have returned to XXXXXX and used the dedicated CCTV desktop to view the footage of the incident. On XX/XX/2023 at approximately 12:30 I viewed the footage of the incident and saw a female kick one of the plain clothes officers in the face. After seeing this I re-watched the footage to see who this female was and saw a female in a blue jumper, black and white leggings, light coloured shoes and carrying a coat over her arm. I immediately recognised this person as XXXXX XXXX, I knew this to be this person as I had previously dealt with her on XX/XX/2023 as I was sitting her at NGH for a number of hours. I recognised this person as she has a distinctive face which I recognised, after recognising the female I watched the footage again to confirm that this was the person who I identified. I was certain of her identity from viewing the footage.

Following on from this identification, the sergeant asked city CCTV if they could see the named female which they stated they could outside of XX XXXX on High Street. I in company with PCXXXX attended the location and I identified [REDACTED] was wearing the same black and white leggings and light trainers although she had changed her top. From the CCTV footage there was a mark in the centre of the females forehead, upon ar [REDACTED] on her forehead. At 13:10 I [REDACTED] assault emergency worker with the following:

"YOU DO NOT HAVE TO SAY ANYTHING BUT IT MAY HARM YOUR DEFENSE IF YOU DO NOT MENTION WHEN QUESTIONED SOMETHING YOU LATER RELY ON IN COURT ANYTHING YOU DO SAY MAY BE GIVEN IN EVIDENCE"

[REDACTED] d her into the rear of a marked police vehicle. When [REDACTED] rear of the vehicle she said

"I'M GUILTY AS CHARGED...GUILTY AS CHARGED...GUILTY AS CHARGED"

[REDACTED] t her guilt and admitted that she had assaulted the officer. This has been recorded on BWV and can be referred to as exhibit AP/1 - BWV footage of XXXX arrest.

[REDACTED] ransported to custody where she was booked in, I returned to XXXXXXXX Police statement to complete this statement and evidence surrounding the investigation. I then played no further part in this incident.
